

Chamber Meeting 1/23/18

Columbus Wisconsin Chamber of Commerce

Members in Attendance: Greg LeCaptain Mac Landdeck, Dan Klein, Rich Luey, Bobby Turner, Jamie Sydow, Tiffany Faust, Tommy Kempfer, Brittany Bergum, Becky Breda, Tom Schultz, Matt Schreiber, Heather Whitman

Guests: Corei Derk - School

Old Business Follow up:

Minutes approved.

Annual Dinner recap. Dinner went well. Wine raffle for the remaining wine from the wine walk. All wine gone after raffle.

Continued discussion on team building. Thoughts brought for potentially having 3-4 people per team per project. Examples to include firecracker five, wine walk and a membership team to generate new members and awareness for the Chamber.

New Business:

Discussion around giving the chamber a physical location where people can come and get information and have someone there to talk about. Bobby Turner offered having Web Wisconsin host the Chamber location. There is a large empty wall and window that could be used for advertising. Will be discussed at next meeting.

Discussion around having a welcome packet for people new to community. Examples of where that could be distributed was the electric company and the post office. More discussion in the future.

Chamber needs a way to sign up and renew memberships online. A motion was brought by Heather to have a link, form and a donation button online to use for online electronic sign up. Tommy seconded. Motioned carried.

Next meeting will continue ideas for chamber growth, different ideas on promotional material such as the map, or flyer, or any other ideas. Members asked to come prepared to discuss at next meeting.

Next Meeting: 8:30AM Feb 13th at the Workshop.
