Guests: Stacy Nehmer

Old Business Follow up:

Minutes approved. Rich Motion, Greg Second

Button added to website to renewal and sign up online.

Chamber location set, need volunteers to help set up the new location. Decided on 6pm Thurs March 8th. Prior to Strategic Planning

New Business:

Discussed having a separate meeting, due to limited time, that is open to all chamber members that would be an after-hours meeting where we can brainstorm ideas that the chamber needs to discuss in a casual environment. The idea is to have more people involved and get the chance to hear from members who are unable to attend the regular meetings. Those ideas would then be brought back to the regular chamber meetings to vote and discuss further. Business items from the agenda "new business" were postponed for further discussion at the first after hours strategic planning event.

Items to be discussed at this meeting:

- April Chamber Publication Ideas?
- Ideas for map alternatives?
